

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Because he peddled without a license Nathan Ekman was fined \$50 and costs of \$5.04 at Bellows Falls.

Louis Buffum, a short-term prisoner in the Newfane jail, escaped recently, while given the liberty of the yard, and has not been heard from since.

Frank Danforth, a Rupert fisherman, is held for the grand jury under \$300 bonds, it being alleged that on May 2, when he was fishing, he resisted the efforts of a game warden to search his fish basket.

Finding the front door ajar, a hen belonging to Mrs. E. K. Bridge of South Windham entered the house and traveled up the carpeted stairs into the sleeping room, where she laid an egg in the baby's basket.

Alvin Frost, who was riding on a freight train, had one foot crushed between cars by the jolting of the train at White River Junction Tuesday, and was taken to the Mary Hitchcock hospital at Hanover, N. H.

Mrs. Amy Drew Day of Westminster, 88 years old, widow of Capt. Lorenzo Day, died May 19. Mrs. Day was the oldest resident of Westminster, and had lived until August she would have been 89 years old.

The Charles Cooper estate, Bennington, manufacturers of knit underwear and needles, which has been shut down for nearly a year, has opened on full time, with a full force, having received an order which will keep the factory running all summer.

A comparison of the weather on May 27, 1914, and May 27, 1915, shows that whereas the mercury Thursday dropped to 30 above zero at the Northfield weather bureau, a year ago on the same date Vermont was sweltering in a hot wave, the temperature standing at 90 degrees in the shade.

More pike perch fry has been distributed from the Swanton auxiliary fishery station this season than ever before in the 18 years the station has been operated. Two carloads of fish, aggregating 60,000,000, have been taken to Burlington and places en route. The total distribution is 220,100,000.

Dr. Albee, the noted New York surgeon, who has been in Burlington for a few days, performed an operation upon Leighton, the 8-year-old son of Mr. and Mrs. Dell Sanders for infantile paralysis, the child having been badly affected by the disease. The operation was for cutting the tendons above the heel, which had drawn up until the boy could not walk, and seems to have been successful.

Bennington market gardeners, lured on by the warm weather of a month ago had their vegetables at a point where much damage was caused by Thursday's freeze. At the farm of George Hummer, 3,000 tomato plants were frozen and ruined. Another gardener of the same place left a water sprayer in operation through the night in his strawberry patch, hoping the moisture would keep off the frost, but in the morning found the ice hanging to the green berries. C. P. Smith, an East Clarendon market gardener, lost half an acre of asparagus by the freeze, also corn, beans, cucumbers, and squashes, which were well started.

What was probably the last log drive on the White River passed out of White River Junction May 21, the cost having estimated at \$11,250. So treacherous is log moving on this river and so much trouble of one kind or another has been experienced in the last few years, that it is probable no more drives will be attempted. About 15,000 cords made up this drive. The Connecticut river, which is following the White river one, will have 50,000,000 feet, which is also thought to be the last log drive which will ever be attempted in the upper Connecticut. Next year about 100,000 cords of four-foot pulp wood will take its place, to be used by the International Paper company at Wilder and Bellows Falls.

Familiar Features Well Known to Hundreds of Barre Citizens

A familiar burden in many homes.

The burden of a "bad back."

A lame, a weak or an aching back.

Often tells you of kidney ills.

Doan's Kidney Pills are for weak kidneys.

Here is Barre testimony:

George W. Lander, cigar manufacturer, 92 North Main street, Barre says:

"I had frequently seen Doan's Kidney Pills recommended in the local papers by citizens of Barre, but had no occasion to use them until my back began to bother me. One box of Doan's Kidney Pills acted as a tonic to my kidneys, and I have never needed a kidney medicine since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lander had. Foster-Milburn Co., Props., Buffalo, N. Y.

DEATH OF NORWICH GRADUATE.

Paris A. Eastman Died Yesterday in Rutland Hospital.

Rutland, May 29.—Paris A. Eastman of this city died at an early hour yesterday morning at the Rutland hospital, having undergone a serious surgical operation. He had been in poor health a long time.

Mr. Eastman was a son of Augustus Mortimer and Mary (Hatfield) Eastman and was born December 2, 1855, in Paris, Vt., where his parents were temporarily located. At an early age he came to Rutland where he prepared for college. He entered Norwich university September 2, 1870, graduating in 1873. He was first sergeant in the corps of cadets and was a member of the Alpha Epsilon Pi fraternity.

He is survived by his wife, six sons and daughters, and five sisters, Mrs. John A. Sheldon, Mrs. Ora M. Jewell, Mrs. Frances M. Cardelle, Mrs. Harry Dickerman and Mrs. Clifford Schoonmaker.

Mr. Eastman was for several years in the employ of the F. R. Patch Manufacturing company and later of the Clement National bank.

The funeral will be held Sunday at 3 o'clock in the Congregational church.

DIED AT PROCTOR.

Mrs. Caroline Ross McDowell of Rutland Was Visiting There.

Rutland, May 29.—Caroline Ross McDowell, widow of Thomas F. McDowell, who had made her home for the last 10 years with her son, John T. McDowell, of 16 Church street, died yesterday at the home of her daughter, Mrs. Ira Minkler, of Proctor, where she went for a visit five weeks ago. Mrs. McDowell had been ill for four months and had been confined to her bed much of that time.

She was born in New York City 76 years ago but came to Castleton with her parents at an early age, making most of the trip by canal boat. Her early life was spent on the Castleton farm owned for many years by the Ross family and she was married there, after which she and her husband lived for 50 years in West Rutland.

The deceased is survived by four sons, William McDowell of Marble, Col. John and Frank McDowell of Rutland and Charles McDowell of Holyoke, Mass.; three daughters, Mrs. M. G. Langdon of Cottage street, Mrs. Charles A. Nelson of West Rutland and Mrs. Minkler. She also leaves two sisters, Mrs. Martha Viswell and Mrs. D. Murphy of Bradford, Mass., and three brothers, William and Hiram Ross of Castleton and G. W. Ross of this city. The funeral will be held in West Rutland.

STILL FAVORS RECOUNT.

Rutland's "Square Deal" Club Seek Quo Warranto Action.

Rutland, May 29.—The Square Deal club, which at various intervals since election in March have been making a futile effort to secure a recount of the ballots cast in this city, have by no means given up their fight. Their latest move is a petition to Attorney General H. G. Barber of Brattleboro and State's Attorney C. V. Poulin of this city asking them to take steps, by quo warranto proceedings or otherwise, against the board of license commissioners of this city to test their right to hold office in view of the fact that they have issued licenses and permitted the sale of liquor in this city when there was a question as to the legality of the methods used in counting the ballots at the March meeting.

The petition is signed by about 30 persons. There are sworn statements by A. C. Matthews and others, setting forth that improper methods of counting the votes were used in certain instances and that a witness statement from Frank F. Pistole, alleging carelessness on the part of election officials.

The subject matter of the petition is much the same as has already appeared in print several times as to the observations of Mr. Matthews and others while the votes were being counted in ward seven. A tabulation of the votes made by City Clerk H. B. Whittier is attached to the petition.

Some time ago the recant was brought to the attention of the attorney general informally and he stated that he would take no steps in the matter until proof of fraudulent methods was presented him.

ANOTHER WAR ORDER.

Hickok Lumber Co. of Burlington to Manufacture Boxes.

Burlington, May 29.—Frederick E. Burgess returned yesterday from New York City, where he has been for upwards of two months on business. Mr. Burgess succeeded in securing for the Hickok Lumbering Co. another large order from the Canadian Car & Foundry company to manufacture wooden boxes for shrapnel and howitzer shells for the imperial Russian government. This brings the total number of boxes to be made by the Hickok company to 257,000.

The Champlain shops have been leased, as stated in the Daily News some time ago, and additional machinery ordered to facilitate the manufacture of this big order.

Mr. Burgess said to-day that the company was to employ fully 100 extra workmen, making a force in the two plants, about 225.

Special machinery is now being installed as rapidly as possible. The contract will be completed in seven months from July 1.

Some idea of the magnitude of the order may be gained when it is stated that 40 million screws will be required in fastening together the boxes, which because of the nature of their contents have to be strongly made.

NATIVE OF BETHEL.

Body of Lewis S. Bird to Be Brought There from Rutland.

Rutland, May 29.—A prayer service was held this morning for Lewis S. Bird, who died at the Rutland hospital Thursday after an illness of five weeks, and the remains were taken later in the day to Bethel, where burial is to be held, with services at the grave.

Mr. Bird was born in Bethel 69 years ago and for many years he lived in that town. About 14 years ago he came to Rutland to enter the employ of the Howland Sock company and he had been at work for that organization since that time.

He is survived by his wife and one son, Robert B. Bird, who is in the employ of F. Chaffee's Sons. He also has two sisters, Mrs. Pearl Blanchard and Mrs. Lovett Wright, both of Rutland.

DEATH OF BRATTLEBORO MAN.

Henry H. Norcross Died Friday, Being Ill But Two Days.

Brattleboro, May 29.—Henry H. Norcross, 63, a well-known carpenter, died yesterday afternoon in the Memorial hospital, of strangulated hernia. He was taken ill Wednesday morning and was taken to the hospital that evening, where it was found that an operation would be unavailing.

Mr. Norcross was born in West Dumfries, a son of Luke and Louisa Norcross and worked for years for H. W. Sargent. He then went to Greenfield, and about eight years ago returned to Brattleboro.

He leaves a wife and a daughter by a former marriage, Miss Hattie Norcross, of Springfield.

Notice to the Public

Checking of Baggage

The public is hereby notified that on and after June 2, 1915, each person checking baggage or other property from a point in one state to a point in another state must make a declaration of the value of such baggage or property when it is presented for checking. Each person, or his agent, must sign a declaration before baggage can be checked.

This regulation is made following the decision of the interstate commerce commission in connection with the so-called Cummins amendment to the interstate commerce act passed by the last Congress.

Passengers are urged to allow more time than heretofore for the checking of baggage.

Blank forms will be provided at all stations for passengers to sign. No baggage will be forwarded unless the passenger, or his agent, signs the declaration.
